Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Thursday 15 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with plenty of warm sunshine today. Cooler on coast.

Today:
After a cloudy start, mainly along some North Sea coasts, it will be a fine and dry day with plenty of sunshine. Feeling warm in the sunshine, especially inland, but a little cooler along the coast with an onshore breeze. Maximum temperature 23 deg C (73 deg F).

Tonight:
A fine end to the day will lead to a dry and clear night for many. Perhaps some isolated mist and fog patches forming in some rural spots before dawn. Minimum temperature 13 deg C (55 deg F).

Friday:
Early mist and fog patches soon clearing to leave another fine and dry day, with plenty of sunshine. Feeling warmer than on Thursday, with lighter winds. Maximum temperature 26 deg C (79 deg F).

Outlook for Saturday to Monday:
Fine and dry with sunny spells on Saturday and Sunday. Feeling rather warm with light winds. Turning cloudier on Monday with some outbreaks of rain and drizzle at times.
